

AVON TRACKER USER GUIDE

GETTING STARTED

First-Time Setup

When launching the application for the first time, you will be prompted to grant several permissions:

- Notification permissions
- Location access permissions
- Background location tracking permissions

All these permissions are essential for the proper functioning of the application. Please ensure you grant all requested permissions.

User Type Selection

Upon initial setup, you will be asked to select your user type from the following options:

- I am a Competitor
- I am a Spectator
- I am with the ADSU
- I am an Announcer

Please select the appropriate option that corresponds to your participation in the event.

FOR SUPPORT CREW & SPECTATORS

The application allows you to follow competitors throughout the Avon Descent.

- Select 'I am a Spectator' from the user type options
- Choose the race numbers of the competitors you wish to follow
- Tap 'Continue' to proceed

The map will display pins showing the locations of your selected competitors. You will receive notifications when competitors reach checkpoints.

The bottom of the screen provides additional information about each competitor you're following, including:

- Distance from your current location
- Direction of travel
- Time of last location update

FOR COMPETITORS

Setting up the application as a competitor:

- Select 'I am a Competitor' from the user type options
- Enter your assigned race ID number
- Tap 'Continue' to proceed

The application will display your current location on the map along with checkpoints and Points of Interest for the race. Once tracking is activated, you may secure your device in a waterproof container and place it in your race craft.

EMERGENCY FEATURE

An emergency slider is located at the bottom of the screen. This feature should only be activated in genuine emergency situations requiring immediate assistance.

Sliding this control to the right will alert ADSU personnel of your location. Please keep your device accessible as rescue teams will attempt to contact you.

IMPORTANT NOTE FOR TEAMS

Please designate only one device for tracking, per team.

RESTRICTED ACCESS

The ADSU and Announcer options are restricted to authorised personnel only. Authorised users will receive separate instructions for these features.
